**LAND ACKNOWLEDGMENT**

As settlers, we're grateful for the opportunity to meet here and thank all generations of people who have taken care of this land – for thousands of years.

Long before today, as we gather here, there have been aboriginal peoples who have been the stewards of this place called Emily: the Haudensaunee, the Ojibway/Chippewa, the Mississaugas, Huron-Wendat and Metis peoples. We recognize and deeply appreciate their histories connection to this place and their continued presence in our midst.

**THE A.C.W. NEWS**

The ACW have donated \$300.00 to 3 local food banks. The share the wealth board, and the good will offering from our lunches really add up. We really don't have any way to fund raise these days except the share the wealth and the books and puzzles. Remember it's not necessary to return the books after you have read them, pass them onto friends. Emil was the winner of the last share the wealth board.

The ACW is planning another information session this fall, more details to follow. Following our Harvest Anniversary service we will be having a light lunch. There is a signup sheet at the back of the church.

## ST. JAMES OUTREACH

A great big thank you to everyone who supported Deacon Franks **Prison Back Pack Program**. We collected 3 backpacks full of a variety of necessary items. Although this project is over for now, if you have any other items such as coats, hats, boots, fleeces, just bring them in and Frank will make sure they get to the correction center. These items are for men.

We have now moved on to the **Samaritans Purse** project, Shoe Boxes full of clothing, school supplies, and fun items for needy children around the world. The boxes

are now at St. James and the list of items is there as well. This is a lovely project to do with your grandchildren or just a fun shop at the dollar store. This year they have to be returned by October 20<sup>th</sup>. Thanks everyone for your support.

## Out of the mouths of babes

Little Johnny and his family were having Sunday dinner at his Grandmother's house. Everyone was seated around the table as the food was being served.

When Johnny received his plate, he started eating right away. "Johnny! Please wait until we say our prayer, said his mother, we always say a prayer before eating at our house.

That's at our house, Johnny replied, But this is Grandmas house and she knows how to cook!
